

The agile journey – from Scrummish to ScrumBan

The war stories

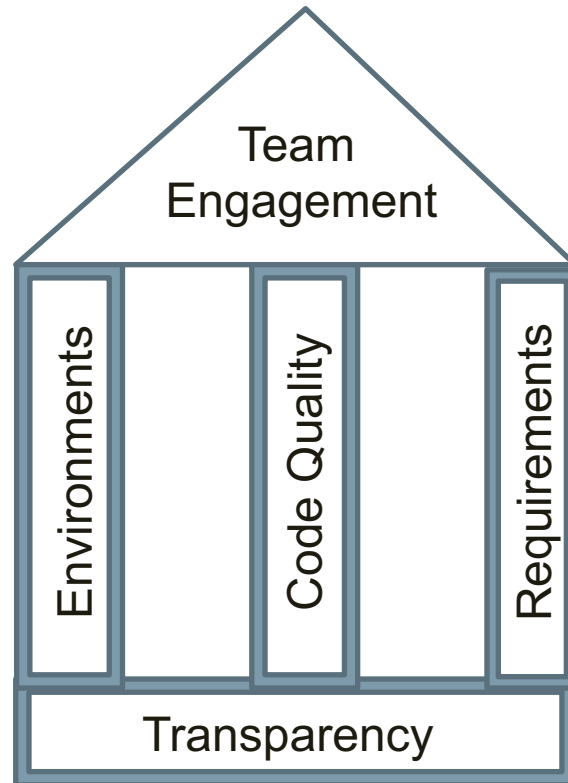

Who am I?

- Involved with Agile from 2008
- Training junior consultants since 2012
- Led multiple successful team transformations
- Playing coach
 - frontend developer and coach

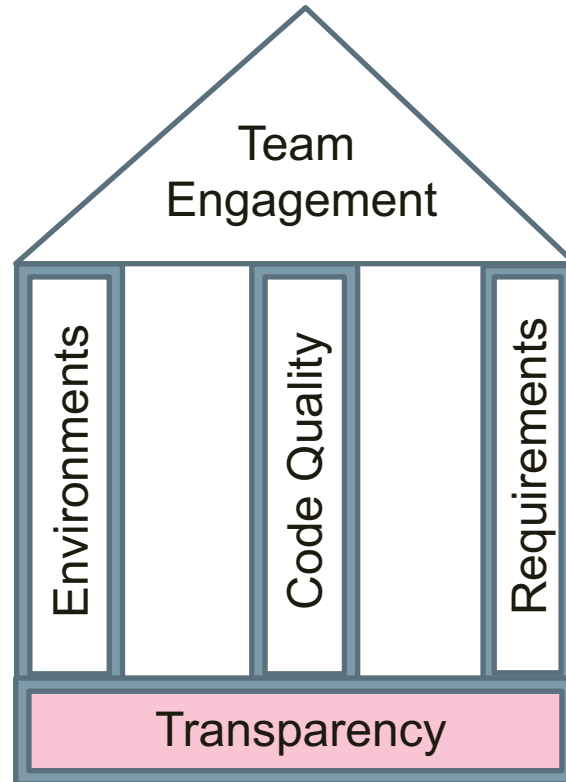

The satisfaction triangle

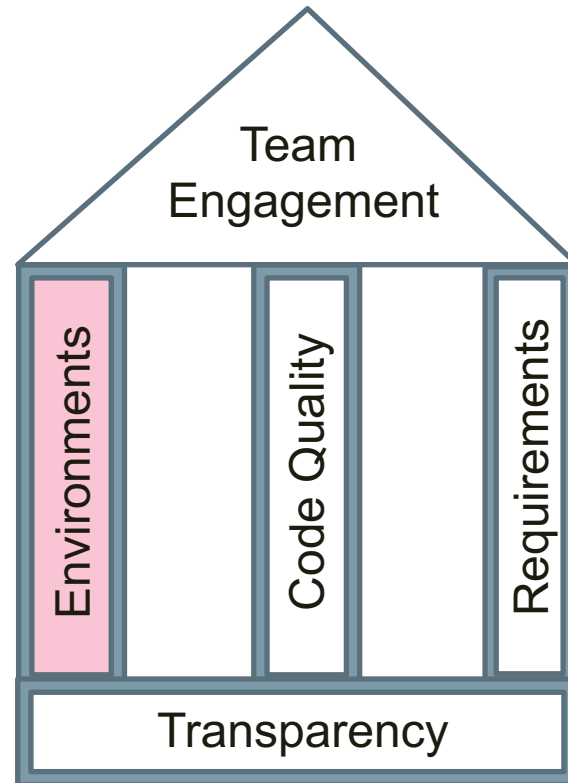

House of Issues

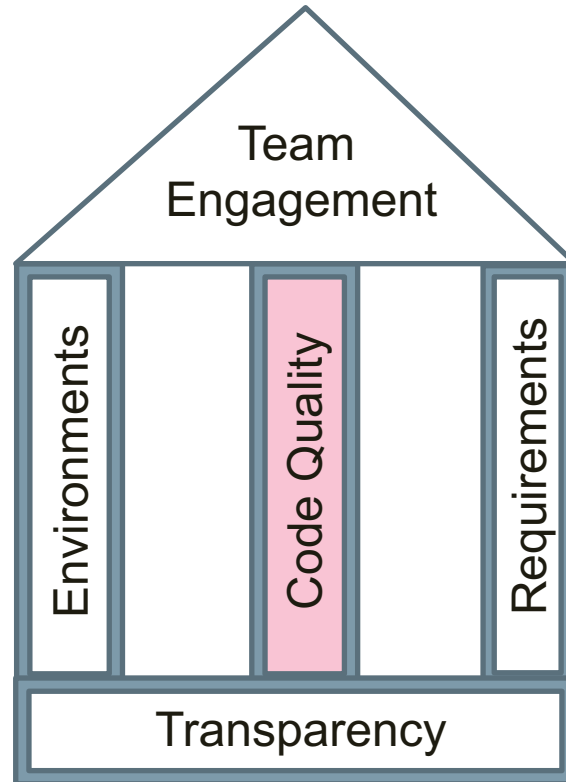

House of Issues - Transparency

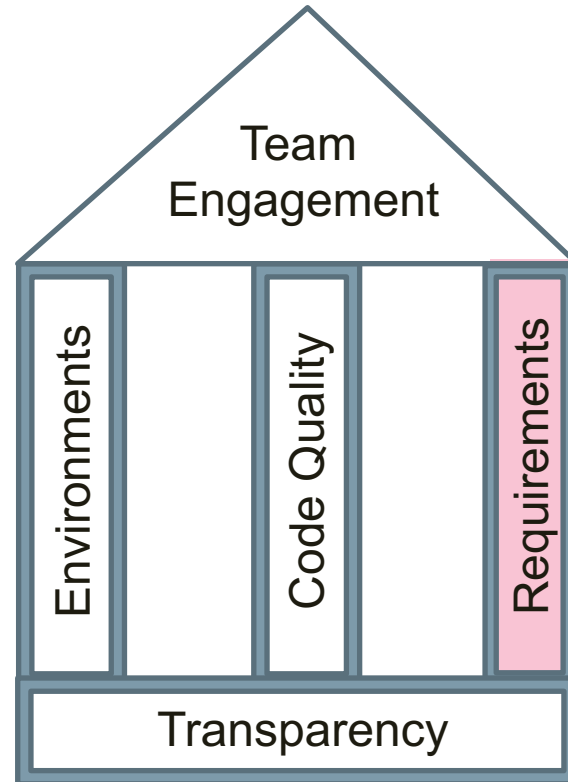

House of Issues - Environments

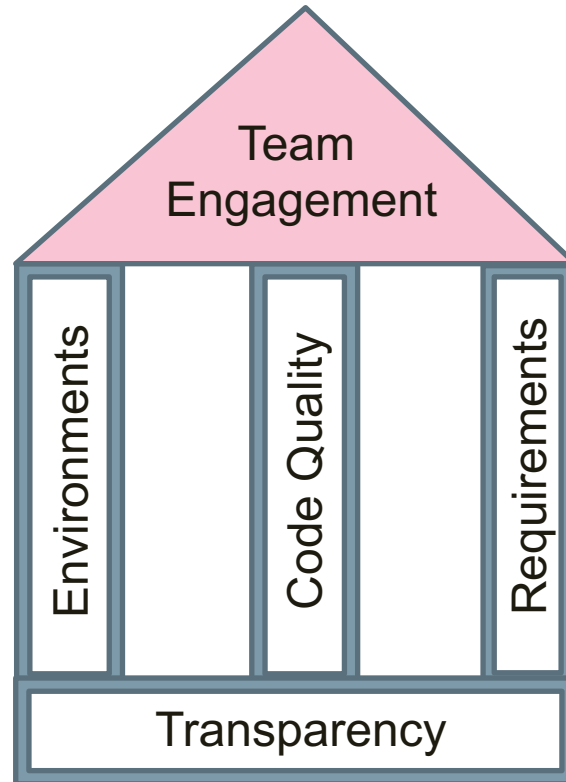

House of Issues – Code Quality

House of Issues - Requirements

House of Issues - Engagement

Instead of Conclusion Communication is everything
